Patapsco Heritage Greenway and partners invite you to join us for “Patapsco Days: Creating Change in the 20th Century”. This year's annual exploration of the histories of the Patapsco Valley focuses on the many forms of activism in the Patapsco Valley in the 20th century. A dozen partners will offer more than 20 programs including lectures, exhibits, guided tours, movie screenings, and more. Learn about the fight for fair housing, the efforts to save Patapsco Female Institute, the tree-huggers movement, the Catonsville 9 war protest, and more.
